Extended shoulder bolt adapter for the 4750 Tow Defender

part number 4750-02

Instructions

All specifications are subject to change without notice.

ROADMASTER, Inc. 6110 NE 127th Ave. Vancouver, WA 98682 800-669-9690 Fax: 360-735-9300 www.roadmasterinc.com

Purpose of the adapters

If the Tow Defender is too short to connect to the original shoulder bolt adapters, use the 4750-02 adapters. They will extend the reach of the Tow Defender by two inches.

Using the adapters

Replace the original shoulder bolt adapters with the 4750-02 adapters (see Figure 1), and follow the installation instructions that came with the Tow Defender.

(For a copy of the most recent installation instructions, visit roadmasterinc.com. The instructions are under "Support" > "Installation Instructions.")
