- (1) Allen head bolt

Instructions

- 1.** Locate the mounting post (Fig.1) that came with your BrakeMaster. If needed, order part number 450596. - 2.** Remove the seat track mounting bolts. Lift the seat up slightly and slide the seat adapter between the floor and the seat bracket. Line up the holes in the adapter with the holes in the floor and seat bracket. Bolt into place using the factory seat track mounting bolts.
