3120-03

ALL SPECIFICATIONS ARE SUBJECT TO CHANGE WITHOUT NOTICE

ROADMASTER, Inc. 6110 NE 127th Ave. Vancouver, WA 98682 360-896-0407 fax 360-735-9300 www.roadmasterinc.com

Parts List

- (1) 3/8" lock washer
- (1) 3/8" x 3/4" bolt
- (2) 10mm x 1.25 x 40mm bolts
- (2) 10mm lock washers
- (2) 10mm flat washers

Instructions

- 1.** Locate the mounting post (Fig.1) that came with your BrakeMaster. If needed, order part number 450596. Now, secure the post to the center of the seat adapter using the included 3/8" x 3/4" bolt and 3/8" lock washer. If the hole is countersunk, use the Allen head bolt and lock washer included with this kit.
- 2.** Remove the two 14mm (head) bolts (one on each side of the driver's seat) holding the front of the seat tracks to the floor. Position the seat adapter over the top of the seat tracks, so that the pre-drilled holes at each end are over the holes for the seat track bolts you just removed. Then, bolt the seat adapter in place, using one of the supplied 10mm x 1.25 x 40mm bolts, lock washers and flat washers on each side.

WARNING

Failure to follow these instructions can result in property damage, personal injury or even death.
